

WHAT IS OATLY?

We are the world's original and largest **oatmilk drink company**, and besides the oats stuff we do, we also believe in we can shift consumption of animals to plants in order to help secure the longevity of our planet.

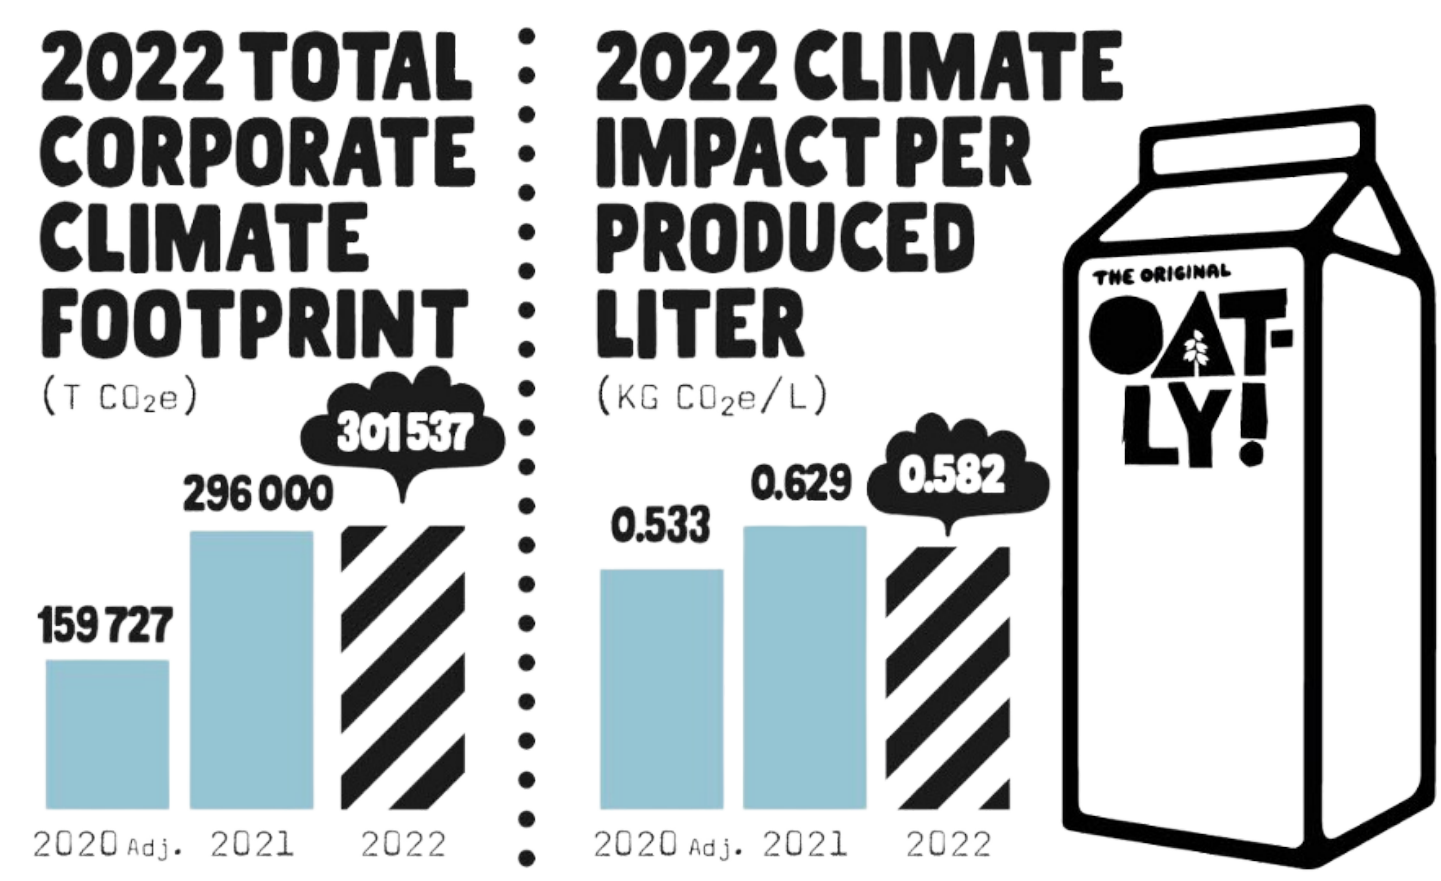

You can find all the **oats stuff** on our website

CHANGE ISN'T EASY

« We promise to be a good company. »

We are committed to sustainability, and we are making continuing efforts to achieve this, you might have notice the climate footprint on our carton, but it's only part of it. **Read more [here](#)**

Check out our full sustainability report at <https://www.oatly.com/en-us/oatly-who/sustainability-plan/sustainability-report>

Here are our contribution to the United Nations Sustainability Development Goals

DRIVE TOWARDS PROFITABLE GROWTH

SO WHAT'S NEXT?

We will continue to focus on long-term opportunities: see our full deck @ investors.oatly.com

- 1. Bring the oatly magic to more people
- 2. Continue our calibration of resources
